) Your space:

Which room(s) would you like to be designed?

What are the room(s) dimensions?

How do you envision using the room(s)?

By re-designing the room(s), what would you like to achieve?

What are the most positive aspects of the room(s) you have chosen?

What are the greatest challenges of the room(s) you have chosen?

Does the room have good natural light, and which direction does the room face? (north, south, east or west)

Do you plan on using the room(s) in multiple ways (e.g. a dining room that also serves as a library/homework room)?

What is your budget for the room(s) you have selected?

Do you have a family? pets?

Do you often entertain groups of friends and family? Does your current space accommodate these groups easily?

Is storage an issue in the room you have chosen?

What is your favourite piece in your home (e.g. furniture, art, rug, accent), and why?

) Your location:

Do you live in a town or a city? Which one?

What retail design resources are available to you?

Do you shop on-line for design sources?
